

Tassel Award Imperial Clout rankings 2016

Basis of calculations and criteria used

- Results taken from those shoots having applied and completed "Tassel Award Status" in the year 2016.
- 34 (35) shoots in total.
- Shoots include both Double One Way and Double Two Way.
- Scores have **not** been adjusted/alterd to reflect one way or two way shooting or archers shooting above their normal distance.
- The rankings have been based purely on score achieved, taking the top 3 scores attained, the sum of those scores and ranked accordingly. I have shown the number of shoots completed together with the average score per shoot, for information.

Observations from scores used

- A total of 834 (954) archers participated in "Tassel Award" shoots in 2016 submitting 2116 scores (2164).
- A total of 486 (605) of these only shot in 1 tournament.
- A total of 116 (118) of these only shot in 2 tournaments.
- 232 (231) archers shot in 3 shoots or more.
- The highest number of shoots completed in by a single archer (same bow discipline) was 15 (17).
- The bracketed figure above relates to the 2015 season.
