

Tassel Award Imperial Clout rankings 2018

Basis of calculations and criteria used

Results taken from those shoots having applied and completed "Tassel Award Status" in the year 2017.

33 (34) shoots in total.

Shoots include both Double One Way and Double Two Way.

Scores have **not** been adjusted/alterd to reflect one way or two way shooting or archers shooting above their normal distance.

The rankings have been based purely on score achieved, taking the top 3 scores attained, the sum of those scores and ranked accordingly. I have shown the number of shoots completed together with the average score per shoot, for information.

It has again been difficult this year with names spelt differently by organisers and archers swapping clubs throughout the year. Archers must ensure their names are spelt correctly on results sheets otherwise these rankings could be inaccurate.

Observations from scores used

A total of 660 (758) archers participated in "Tassel Award" shoots in 2018 submitting 1649 scores (1907).

A total of 374 (444) of these only shot in 1 tournament.

A total of 93 (109) of these only shot in 2 tournaments.

193 (205) archers shot in 3 shoots or more.

The highest number of shoots completed in by a single archer (same bow discipline) was 17 (19).

The bracketed figure above relates to the 2017 season.

These rankings have been put together by Andrew Neal, on behalf of Northern Counties Archery Society, who administers the National Tassel Award Scheme. Any queries should be addressed to Andrew by email to an@agneal.co.uk

Metric Tassel Award Clout rankings 2018.

Basis of calculations and criteria used

- Results taken from those shoots having applied and completed "Tassel Award Status" in the year 2018.
- 20 (21) Metric Tassel shoots in total.
- Scores have **not** been adjusted/alterd to reflect archers shooting above their normal distance.
- The rankings have been based purely on score achieved, taking the top 3 scores attained, the sum of those scores and ranked accordingly. I have shown the number of shoots completed together with the average score per shoot, for information.

Observations from scores used

- A total of 472 (510) archers participated in "Metric Tassel Award" shoots in 2018, submitting 1114 (1276) scores.
- A total of 230 (249) only shot in 1 tournament.
- A total of 90 (89) only shot in 2 tournaments.
- 152 (172) archers shot in 3 shoots or more.
- The highest number of shoots completed in by a single archer (same bow discipline) was 11 (13).
- The bracketed figures above relate to the 2017 season.

These rankings have been put together by Andrew Neal, on behalf of Northern Counties Archery Society, who administers the National Tassel Award Scheme. Any queries should be addressed to Andrew by email to an@agneal.co.uk

Combined Imperial/Metric Tassel Award Clout Rankings 2018.

Basis of calculations and criteria used

- Results taken from those shoots having applied and completed "Tassel Award Status" in the year 2018.
- Rankings are compiled taking an archers best 3 imperial scores and best 2 metric scores.
- An archer must have shot at least 3 imperial **and** 2 metric tassel award shoots to be eligible for the rankings.
- Scores have **not** been adjusted/alterd to reflect archers shooting above their normal distance.
- The rankings have been based purely on score achieved, taking the top 3 imperial scores and top 2 metric scores attained, the sum of these scores and ranked accordingly.

These rankings have been put together by Andrew Neal, on behalf of Northern Counties Archery Society, who administers the National Tassel Award Scheme. Any queries should be addressed to Andrew by email to an@agneal.co.uk
