

## THE NORTHERN COUNTIES ARCHERY SOCIETY

JUDGES INFORMATION UPDATE  
January 2019

**I hope you all had a good Christmas and a Happy New Year.**

### **Judge Changes**

Congratulations go to Gareth Beeby who has now been awarded World Archery Europe Continental Judge status.

### **J07's**

Thank you to all who have already sent me their J07's. For those of you who are yet to complete them can you please do so as soon as possible. I know the forms are difficult to navigate but can I please ask that you add up each column and put the totals in to assist my collating the information. I will be sending them off as previously advised mid month and those I have not received will obviously not be included in the paperwork I send off.

### **Judge Requests**

Archers of East Riding based in Hutton Cranswick near Driffield, East Yorkshire require 2 judges (one of whom needs to be a Regional Judge or higher) for their Record status Clout Tournament on Saturday 25th and Sunday 26th May 2019. The TO for this tournament is Trevor Astley but please contact the YAA SPOC on [yaajudge@gmail.co.uk](mailto:yaajudge@gmail.co.uk) if you can assist.

### **Candidate Judge Promotion**

Our promotion is still ongoing and going well. Please pass on my details if you know anyone who is interested.

### **Regional Judges Meeting 30 March 2019**

I have had a few requests to have a presentation on Head to Heads and Matchplay. Gareth Beeby and Kieran Dexter have kindly agreed to host the presentation.

### **And Finally**

If you haven't already booked your place for the National Conference, please do so. We require a certain amount of judges booked in to the event to make it viable and continue having it moved around the Regions. Don't forget to let me know if you are attending so I can pass the numbers on to the Regional Treasurer to allocate expenses as per the expenses policy. When you let me know, can you provide details of whether you are required to go or whether

## THE NORTHERN COUNTIES ARCHERY SOCIETY

you are voluntarily attending and let me have a rough idea of your mileage/room expenses (if appropriate).
