

**APPLICATION FOR ARCHER GRANT**

This grant is to support NCAS archers who have been selected to represent England or the UK at a competition not held in England. This will include events under AGB, AE (EAF), University, Warrior or Invictus Games auspices.

Grants are not available to training camp type events, or events where the archer may have “entered” for themselves and not been selected on merit, following a selection process.

Each application for a grant will be assessed on its merits and will be made at the discretion of the NCAS Committee and will take into account the state of the NCAS finances at the time of application.

Claims for Grants should be made during AGB Affiliation year (1st October to 30th September) in which the event, for which the archer is claiming, was held, and should be sent to the NCAS Treasurer to arrive no later than midnight on the 31st October, following the closure of the affiliation year. Applications received after the 31st October, for the previous AGB Affiliation year will be declined.

All applications must be made on the attached form, and be accompanied by supporting information to confirm selection, for example - selection notice, invite letter, or link to webpage showing team make up, and a brief report of their involvement in the Competition, including as a minimum their scores and positions in each section. Without this additional information the grant claim will be declined.

All NCAS affiliated archers may apply for the grant, whether or not they are fully funded elsewhere.

Up to three applications each year (1st October to 30th September) will be permitted. The first grant will be paid at the rate of £150.00, the second and third, at £100.00 and £50.00 respectively.

Archers who shoot for an England/UK “A team”, and are a member of NCAS, may apply for the full amounts, dependant on whether it is their first, second or third application. NCAS also recognise that archers may be selected for a “B Team” and in this circumstance NCAS will support archers with a stand-alone £25 grant for that participation. This is a once per year grant only, this will not affect the application for the other three grants for representation within that year.

**Applications may be made by email or paper copy, providing confirmation evidence is attached.**
