

Tassel Award Imperial Clout rankings 2015

Basis of calculations and criteria used

- Results taken from those shoots having applied and completed "Tassel Award Status" in the year 2015.
- 35 (35) shoots in total.
- Shoots include both Double One Way and Double Two Way.
- Scores have **not** been adjusted/alterd to reflect one way or two way shooting or archers shooting above their normal distance.
- The rankings have been based purely on score achieved, taking the top 3 scores attained, the sum of those scores and ranked accordingly. I have shown the number of shoots completed together with the average score per shoot, for information.

Observations from scores used

- A total of 954 (975) archers participated in "Tassel Award" shoots in 2015 submitting 2164 scores (2021).
- A total of 605 (631) of these only shot in 1 tournament.
- A total of 118 (137) of these only shot in 2 tournaments.
- 231 (207) archers shot in 3 shoots or more.
- The highest number of shoots completed in by a single archer (same bow discipline) was 17 (15).
- The bracketed figure above relates to the 2014 season.
