Judges Information Update January 2017

There is not much to report this month. There have been no new judges join us and no full progressions although congratulations do go to those judges that attended the Candidate seminar and successfully completed their county written exam.

County Judges

Any County judges wishing to progress to Regional judges there is now a requirement for attendance at a 1 day workshop to be held at Lilleshall. This year the workshop will take place at on the 4th of March and starts at 9.15. Applications for attendance are via the Sport80 platform. Instructions are attached. The event is a closed event so will only be visible in the platform to current county judges. If you are wishing to attend and cannot see the event, then please let me know.

National Conference

The 2017 National Conference will take place on the 5th of March at Lilleshall. This will only be one day event that will start at 9am and finish approximately 4pm. The event is open to all grades of judges. Regional and National Judges are reminded that attendance to 1 National Conference is a requirement in each 4-year reaccreditation cycle. If you would like to attend, please complete and return the paperwork sent along with this update. You can also complete the application form online here <https://goo.gl/forms/Oc47H0DW0loPdGAP2>. Can anybody that is going to attend please let me know when they submit their paperwork so that I can provide an approximate budget to the treasurer.

Conference funding

At the last NCAS committee meeting the committee agreed to a funding policy for all NCAS judges attending Judging conferences and seminars as a part of their training. The policy is a little complicated due to the number of categories so please take the time to read it and familiarise yourself with it. If you have any questions, please do not hesitate to in touch and I shall endeavour to answer them.

J15's

Thank you to all of those that have already submitted their J15 for 2016. If you have not already done so, could you please complete and send it to me as soon as possible so that I can collate all the activity for the past year.
